

Subject Access Request Form

You have a right of access to the information Police Scotland holds about you, subject to certain restrictions. For example, restricting your rights may be necessary to protect the rights and freedoms of third parties or to avoid prejudicing the prevention and detection of criminal offences.

To request information held by Police Scotland, please complete this form and return it with identification to:

dataprotectionsubjectaccess@scotland.police.uk

Identification must comprise scans/ photographs/ photocopies of two official documents which confirm both your date of birth and current address - e.g. passport, driving licence, birth certificate, utility bill, etc.

Written confirmation of authority must also be included if you are acting on someone's behalf - for example a copy of any Power of Attorney or, for solicitors, a signed mandate.

Any hard copy completed forms can be posted to Information Management, Police Scotland, Second Floor, Woodhill House, Westburn Road, Aberdeen AB16 5GB or handed into any operational Police Office in Scotland.

Please call 101 and ask to speak to the Information Management team in your local area for further advice.

Provided we have sufficient information to locate the information sought and the Chief Constable is satisfied as to your identity, the legislation allows us one calendar month to reply to your request.

Please be aware that it is a criminal offence for someone to require you to make a subject access request - for example for your conviction history - in connection with:

- your recruitment or continued employment;
- any contract with you for the provision of services, e.g. as a self-employed person; or
- you being provided with goods, facilities or services, e.g. by an insurance provider

[Disclosure Scotland](#) (03000 200040) can advise in relation to employment related disclosures and they can also provide you with a Basic Disclosure (your unspent conviction history).

[ACRO](#) (02380 479920) provide police certificates for the specific purpose of emigrating to Australia, Belgium, Canada, the Cayman Islands, New Zealand, South Africa or the USA.

The [Information Commissioner](#) (03031 231113) can advise further in relation to your rights.

Please note that whilst we will always endeavour to respond to requests in the same format in which they are submitted, some information may require to be sent in hard-copy by post, depending on the format in which it is held.

Furthermore, whilst we are happy to respond by email, you should be aware that our response may include highly sensitive personal data and you should therefore consider whether email is a secure enough form of correspondence.
