Fortissat

Multi Member Ward Plan 2016

Our focus. Your priorities.

Local Priorities

This report identifies your priorities and it includes our future plans. Your priorities for the Fortissat area are:

1. Disorderly Behaviour

You told us about your concerns that people, particularly young people, are obtaining alcohol and engaging in antisocial behaviour and carrying out acts of disorder and vandalism as a result.

2. Violent Crime

You told us about your concerns regarding the number of violent incidents carried out by and against people within your communities.

3. Drug Misuse

You told us about your concerns that people are selling drugs from their homes and in certain licensed premises and that it was a factor for an increase in other related crimes.

4. Speeding Motorists

You told us about your concerns regarding speeding cars particularly in Torbothie Road, Shotts, Main Street, Harthill and Allanton.

In the coming months.

Disorderly Behaviour

We will continue to visit all types of licensed premises enforcing the licensing laws and deterring the sale of alcohol to under-18s and other offences taking place in and around these premises.

Violent Crime

We will deploy officers in plain clothes and in uniform to tackle disorder. We will target individuals who repeatedly commit acts of disorder and ensure bail conditions and curfews are being complied with.

Drug Misuse

We will work proactively within the community with specialist departments to target those selling drugs. We will continue to seek and act on intelligence and use our stop and search powers to disrupt those who supply controlled drugs.

Speeding Motorists

We will target offenders through traffic checks. These have the dual effect of enforcing road traffic legislation and identifying those involved in other forms of criminality.

Keep up to date.

Follow us.
