Public Protection Policy

The Police Service of Scotland (PSoS) is committed to offering support and protection to members of the public at risk of physical, emotional and sexual abuse or neglect.

PSoS will work with relevant agencies to prevent the abuse and neglect of children and adults who may be at risk of harm by providing a service which is clear, consistent, integrated, sensitive, effective, balanced, and non-discriminatory.

All public protection concerns reported to PSoS will be recorded and fully investigated.
