VOLUNTEERS WANTED

For more information visit: www.scotland.police.uk/your-community/fife

scotland.police.uk @PoliceScotland PoliceScotland
Numerous enforcement activities take place across Fife on a daily basis to reduce the risks on our roads in an effort to keep people safe. Community Speed Watch is a partnership between local volunteers and Police Scotland to influence driver behaviour in built up areas within our communities.

Community Speed Watch involves local resident volunteers being deployed on our roads with speed detection devices to provide a visible presence to deter and identify speeding motorists in hot-spot areas.

Your local Community Policing Teams work closely with local Community Councils to identify roads/areas of concern prior to deployments taking place.

VOLUNTEERS WANTED
Any person interested in volunteering for the Community Speed Watch initiative must be over the age of 18 years and will be subject to vetting.

Volunteers will be trained using Speed Detection Devices and will undertake Conflict Management training prior to deployment.

JOIN THE TEAM
If you are interested in being a volunteer and are aged 18 and over, please fill in your details and return to your local Police Station.
