FREEDOM OF INFORMATION (SCOTLAND) ACT 2002

I refer to your recent request for information which has been handled in accordance with the Freedom of Information (Scotland) Act 2002.

For ease of reference, your request is replicated below together with the response.

RTA at Asda roundabout heading to Miltonlink Edinburgh

I would be grateful if you could let me know the number of RTA's occurring at that roundabout between 2019 to 2021

In response to your request, I can advise you of the following:

Road Traffic Collisions on the Roundabout Where the A1 Meets The Jewel, Edinburgh (Broken by Collision Severity). 1st January 2019 - 31st December 2021 (Calendar Year)

Collision Severity	2019	2020	2021
Fatal	0	0	0
Serious	0	0	0
Slight	2	1	0
Total	2	1	0

Please note that a reportable collision is defined under Section 170 of the Road Traffic Act 1988 and describes the legal responsibility on those drivers involved to report the matter to the police. Where those involved exchange personal details, there is no legal requirement to report a collision to the police and this applies particularly to non-injury collisions.

As such, there may have been other collisions within the location of your request, which were not reported to Police Scotland, nor which required a collision report to be created, and will therefore not be included within the statistics.

All statistics are provisional and should be treated as management information. All data have been extracted from Police Scotland internal systems and are correct as at 03/06/2022.

Specified areas have been selected using GIS Mapping using the Grid East and Grid North attached to the incident. Storm Incidents located on the Roundabout Where the A1 (Milton Link) meets The Jewel, Edinburgh have been selected.
