I refer to your recent request for information which has been handled in accordance with the Freedom of Information (Scotland) Act 2002.

For ease of reference, your request is replicated below together with the response.

I'd like to request a report on all traffic-related incidents (crashes, pedestrian injuries, pets killed etc) on between 2001 and the present on the following streets:

- **Wallace Street**
- **Meeks Road**
- **Griffiths Street**

Following clarification with you, you advised that the streets noted above are within the town of Falkirk.

For the period 2001 to 2006 I must advise that in terms of Section 17 of the Act, the information you seek is not held by Police Scotland.

By way of explanation, the information requested between these dates is no longer held and we only hold figures back to 2006. Please find the requested information in the attached spreadsheet.

I would ask you to note the caveats provided below each data table and would further advise that if a year contained no accidents, it has been omitted from the results for reasons of brevity.

Should you require any further assistance please contact Information Management quoting the reference number given.
