I refer to your recent request for information which has been handled in accordance with the Freedom of Information (Scotland) Act 2002.

For ease of reference, your request is replicated below together with the response.

I write to enquire if it would be possible to have current crime statistics for the Haymarket Area.

Clarified as:

Three years' worth of crime data for the area within a quarter mile radius of 1 Haymarket Square, EH125EY

The tables at the end of this document provides the number of Recorded and Detected crimes, within a quarter mile radius around Haymarket Train Station, Edinburgh from 1st January 2019 – 30th April 2022.

All statistics are provisional and should be treated as management information. All data have been extracted from Police Scotland internal systems and are correct as at 26th May 2022.

The Recorded Crimes are extracted using the Date Raised, and then mapping the Crimes using ArcGIS software. Records within a quarter mile radius of Haymarket Train Station, Edinburgh, were then selected. Please note, that crimes relating to the Covid-19 are not included.

Should you require any further assistance please contact Information Management Dundee, quoting the reference number given.
