Please, first of all, accept my sincere apologies for the delay in providing a response to your request.

For ease of reference, your request is replicated below together with the response.

I am requesting recorded crimes within the G74 and G75 postcodes for East Kilbride.

Period: 31st January 2021 - 28th February 2022, broken by month.

The attached document titled 'Applicant Data' provides Recorded Crime Statistics within the two requested postcode areas between 31st January 2021 and 28th February 2022, broken down by month.

All statistics are provisional and should be treated as management information. All data have been extracted from Police Scotland internal systems and are correct as at 10th March 2022.

The Recorded Crimes are extracted using the Date Raised, and then mapping the Crimes to the Postcode Districts 'G74' and 'G75' using ArcGIS software (based on the Grid East and Grid North). Please note that crimes relating to Covid-19 are not included and only records with a Grid East and Grid North are plotted and selected.
