Application for the Grant of a Police Permit

Notes – Please read these before completing the form

1. Section 12 of the Air Weapons and Licensing (Scotland) Act 2015 (“the 2015 Act”) enables a person to apply for a Police Permit to possess or acquire an air weapon on a temporary basis, without holding a valid Air Weapon Certificate, or to sell or expose for sale an air weapon in the course of the person’s business without having to be a registered firearms dealer.
2. Form AWL2 should be completed by any person wishing to apply for a Police Permit. The following notes are designed to help applicants complete the form as fully and accurately as possible. When complete, the form should be submitted to the Police Service of Scotland (“Police Scotland”) for the Chief Constable to determine whether or not to grant a permit.

Part A

3. Part A asks for your personal details, including home address, nationality. etc.
4. At Question 8 you must disclose any and **all** previous convictions. This includes: convictions by or before Scottish courts as well as courts outside Scotland; orders for absolute discharge or conditional discharge, and convictions which are spent under the Rehabilitation of Offenders Act 1974. Spent convictions require to be disclosed by virtue of the Rehabilitation of Offenders Act 1974 (Exclusions and Exceptions) (Scotland) Order 2013 (SSI 2013/50, as amended by SSI 2016/147). However, you do not have to disclose any offences dealt with by way of a fixed penalty notice or other alternative to prosecution. If you are in any doubt, please discuss this with the firearms licensing contact at Police Scotland.
5. In addition, section 21 of the Firearms Act 1968 details restrictions on the possession of firearms (including air weapons) by those previously convicted of crime. If you are prohibited from possessing a firearm under that section, the Chief Constable must not grant you a police permit under section 12 of the 2015 Act.

Part B

6. Part B of the form seeks information as to why you wish to possess or acquire an air weapon, or to sell or expose for sale an air weapon in the course of your business. There may be many reasons why a person would wish to possess an air weapon for a temporary period. This may, for example, be appropriate where a person has temporary possession of an air weapon as the relative or executor of a deceased person, to enable them to make proper arrangements for the sale or disposal of the weapon. You may wish to discuss the situation with the police prior to making an application. You should provide as much information as possible on the application form about the air weapon(s), and the security arrangements you have in place while you have possession of them. This will enable Police Scotland to take all of the relevant information into account when determining your application.
7. It is important to note that a Police Permit only allows you to possess, acquire and dispose of the air weapon(s). It does not permit you to use the weapons, or to purchase further air weapons. It is, however, open to you to make an application for a full Air Weapon Certificate, should you decide to keep the weapon for your own use.
