## FREEDOM OF INFORMATION (SCOTLAND) ACT 2002

I refer to your recent request for information which has been handled in accordance with the Freedom of Information (Scotland) Act 2002.

For ease of reference, your request is replicated below together with the response.

***The number and percentage of the workforce in the Highlands and Islands Division of Police Scotland that have received either 1, 2 or 3 doses of a Covid-19 vaccination. These must be ideally set out as a graph with the corresponding numbers of how many doses.***

***I would also like to know the numbers of officers that are on patrol within the H&I that have had either 1, 2 or 3 doses of a vaccine.***

***This will allow us to find out how many police employees within the H&I division are currently vaccinated and those who are not.***

In response to your request, I can advise you that Police Scotland do not routinely record the vaccination status of officers/staff. As such, in terms of Section 17 of the Freedom of Information (Scotland) Act 2002, this represents a notice that the information you seek is not held by Police Scotland.
