For ease of reference, your request is replicated below together with the response.

I am looking to find out how many hate crimes of a homophobic nature happened at:

- I. **football stadiums in the past year (November 2021-2022).**
- II. **Rugby stadiums in the past year (November 2021-2022)**

A search was conducted of our Interim Vulnerable Persons Database (iVPD) and any crimes with a transgender or sexual orientation marker with a location type of Sporting and Leisure Establishment was extracted. These were manually examined and it was confirmed that 8 of the hate crimes recorded related to football stadiums and 0 related to rugby stadiums.

Should you require any further assistance please contact Information Management quoting the reference number given.
