## **FREEDOM OF INFORMATION (SCOTLAND) ACT 2002**

I refer to your recent request for information which has been handled in accordance with the Freedom of Information (Scotland) Act 2002.

For ease of reference, your request is replicated below together with the response.

**I would like to know the number of reported illegal car modifications from June 2021 – July 2022.**

**Can I also get the number of specific modifications if you have the data?**

In accordance with Sections 12(1) (Excessive cost of compliance) and 16(4) (Refusal of request) of the Freedom of Information (Scotland) Act 2002 (the Act), this letter represents a Refusal Notice.

By way of explanation, Police Scotland record crimes using the Scottish Government Justice Department (SGJD) crime classifications. I can advise you that there is not a specific classification for 'modifications' and as such each potential crime report would have to be read to establish what the offence was in relation to.

To be of assistance we may be able to provide you with information in respect of the following offences:

Construction & Use Regulations Other Than Lighting

Lighting offences, motor vehicle

Registration or Identification Mark Offences Not Lighting

If any of these would be of interest to you, please submit a new request. Please also bear in mind that these offences would include more than what might be classed as 'modification' offences.

Should you require any further assistance please contact Information Management - Dundee at [foidundee@scotland.police.uk](mailto:foidundee@scotland.police.uk) quoting the reference number given.
