## FREEDOM OF INFORMATION (SCOTLAND) ACT 2002

I refer to your recent request for information which has been handled in accordance with the Freedom of Information (Scotland) Act 2002.

For ease of reference, your request is replicated below together with the response.

### How many collisions and injuries have been recorded on the A935 Brechin to Montrose road in 2022, 2021 and 2020

In response to your request, please see below the relevant data - 01 January 2020 to 31 October 2022, calendar years

Recorded Road Traffic Collisions, broken down by Collision Severity

Collision Severity	2020	2021	2022*
Serious	1	0	0
Slight	3	1	0
<b>Total</b>	<b>4</b>	<b>1</b>	<b>0</b>

Recorded Road Traffic Casualties, broken down by Casualty Severity

Casualty Severity	2020	2021	2022*
Serious	1	0	0
Slight	5	1	0
<b>Total</b>	<b>6</b>	<b>1</b>	<b>0</b>

All statistics are provisional and should be treated as management information. All data have been extracted from Police Scotland internal systems and are correct as at 17/11/2022.

Please note that a reportable collision is defined under Section 170 of the Road Traffic Act 1988 and describes the legal responsibility on those drivers involved to report the matter to the police. Where those involved exchange personal details, there is no legal requirement to report a collision to the police and this applies particularly to non-injury collisions.

As such, there may have been other collisions within the location of your request, which were not reported to Police Scotland, nor which required a collision report to be created, and will therefore not be included within the statistics.

## OFFICIAL

Please be advised that the number of casualties may vary from the number of collisions, as each collision may have multiple casualties.
