Hi [REDACTED] - I see your guys are on site at this issue this week.

Any success - was it a blocked drain as suspected?

Best regards

[REDACTED]

Had site visit with [REDACTED] this morning at B741 regarding drainage. Drainage works were looked at last year when resurfacing was carried out , but with Covid lockdown/weather/recourses, I suspended works. Ayrshire Roads Alliance have programmed works at locus to commence Monday 1<sup>st</sup> February if recourses permit.

Regards

Hi [REDACTED]

I spoke to [REDACTED] on this one. He is aware of this issue and will be carrying out a site visit this week to identify the cause of the water running across the carriageway. He advised that the road was gritted prior to this accident occurring.

I have asked [REDACTED] to update me on his findings in order that I can keep [REDACTED] updated on any proposed action.

Regards
