FREEDOM OF INFORMATION (SCOTLAND) ACT 2002

I refer to your recent request for information which has been handled in accordance with the Freedom of Information (Scotland) Act 2002.

For ease of reference, your request is replicated below together with the response.

I am looking for information on the numbers of Road Traffic Accidents that have been reported to Strathclyde police/Police Scotland at the junction of Rodger Drive and Stonelaw Road in Burnside G73 3QZ. (A749).

Clarified as information on RTC's January 2012 to January 2022.

In response to your request, I can advise you of the following:

Road Traffic Collisions, Junction Where Rodger Drive Meets Stonelaw Road, Rutherglen (Broken by Collision Severity). 1st January 2012 - 31st January 2022 (Calendar Years)

Collision Severity	2014	2018	2020
Fatal	0	0	0
Serious	1	0	0
Slight	1	1	2
Total	2	1	2

All statistics are provisional and should be treated as management information. All data have been extracted from Police Scotland internal systems and are correct as at 03/06/2022.

Please note that a reportable collision is defined under Section 170 of the Road Traffic Act 1988 and describes the legal responsibility on those drivers involved to report the matter to the police. Where those involved exchange personal details, there is no legal requirement to report a collision to the police and this applies particularly to non-injury collisions.

As such, there may have been other collisions within the location of your request, which were not reported to Police Scotland, nor which required a collision report to be created, and will therefore not be included within the statistics.

Should you require any further assistance please contact Information Management - Dundee at foidundee@scotland.police.uk quoting the reference number given.

If you are dissatisfied with the way in which Police Scotland has dealt with your request, you are entitled, in the first instance, to request a review of our actions and decisions.
